*The Campbell's Soup program allows us to collect the front labels from cans of Campbell's soups and other Campbell's products, which we then send to Campbell's to "purchase" items – such as craft supplies, games, computer equipment and more – that benefit the men and women we serve through NBA Woodhaven. For more information on this program, please see "How to Help" at www.nbawoodhaven.org

**Through the Best Choice program, we collect bar codes from most Best Choice products (available in most Midwestern states), which we redeem for cash, which is then used to help pay for the maintenance on our vehicles and their wheelchair lift systems.

**Please call the NBA Woodhaven Development Office
if you have something you would like to donate.**
