

NBA XPLOR: A Prophetic Movement Of and For Young Adults

Serving as the health and social services general ministry for the Christian Church (Disciples of Christ), the National Benevolent Association partners with congregations, regions, general ministries, and a variety of Disciples-related health and social service providers to create communities of compassion and care.

NBA XPLOR is a 10-month Residency for young adults interested in the intersections of the life of faith and the work of justice. XPLOR Residents serve with host communities across the country—rich collaborations between Disciples regions, congregations, spiritual companions, and local nonprofits serving together.

Meet the NBA XPLOR Residents, follow our latest stories and news, and apply for the next Residency at nbacares.org/xplor.
