

## St. Louis House Visits Bedford

Ashlyn Reynolds, Paige Bobbitt, Nathan Berry, 2017-18 NBA XPLOR Resident in St. Louis, MO

We are grateful for the relationships NBA XPLOR Residents have with their congregations. The churches they serve at in their host sites are spaces where they can develop Disciples leadership skills, but it is their home congregations where Residents started forming their Disciples identity. They are also the first places where young adults learn of XPLOR.

The weekend of March 4th, Ashlyn Reynolds, Nathan Berry, and Paige Bobbitt, traveled from St. Louis to Bedford, Indiana to talk about their Residency experience. Visit the link below for an audio recording of their presentation at First Christian Church, Ashlyn's home congregation.

**NBA XPLOR** is a 10-month service residency opportunity for young adults ages 21-30, with the purpose of empowering young adults to discern and develop a "heart for care" as they live together in simple community, engage in direct service and justice work, engage in leadership development, and discern their vocational calls to honor the various communities they are called to serve. **Learn more and apply at [nbacares.org/xplor](https://www.nbacares.org/xplor).**
