FAITH, JUSTICE AND COMMUNITY

NBA XPLOR is a 10-month service residency opportunity for young adults ages 21-30, with the purpose of empowering young adults to discern and develop a "heart for care" as they live together in simple community, engage in direct service and justice work, engage in leadership development, and discern their vocational calls to honor the various communities they are called to serve. **Learn more and apply at nbacares.org/xplor.**
